Commissioner for Patents

Mr. Bernadicou,

This communication is in response to your telephone message of August 19, 2005 and should remedy the oversight of having omitted claim 27 in the listing of allowed claims.

Mr. Bernadicou called examiner Olsen, before paying the issue fee, because he noted that pending claim 27 was not included in the list of allowed claims.

The attachment is a Supplemental Notice of Allowability that corrects the inadvertent omission of claim 27 but avoids redundancy in the Image File Wrapper system by not including the Examiner's Amendment and the PTO-892 that accompanied the mailing of July 07, 2005.

It is also noted that the necessary corrections are being made to internal PTO documents as well.

Primary Examiner
